November 2017

Dear Parents and Students,

We are very excited to begin working on our holiday production during the month of November. This year we are presenting "The Most Wonderful Time of the Year". All current Stepper-ettes will be preparing for this show. Show dates are December 18, 19, and 20. Most students will perform in one show. Show assignments will be sent home in mid-November. Be sure to mark your calendar!

New Studio Update

Soon the Stepper-ettes will be moving into our beautiful new state of the art studio and event center! The building is located 4 blocks south of 118th and Harrison. We will begin booking weddings, birthday parties, graduation parties and more. This is such an exciting time!

Best of Omaha for 2018

We are honored to be voted in as the "Best of Omaha" for the second year in a row. Thank you for your votes and support.

Stop by the Stepper-ette Store

Attention moms, dads, grandmas, grandpas, aunts, uncles... Find Christmas gifts and stocking stuffers in the Stepper-ette Store!

Bad Weather Information

If there is a question about classes being held due to weather conditions, please check our website, Facebook page or the studio phone at 402-592-4545 if in doubt.

Note: Months with five weeks and spring and summer performances help make up for lessons missed due to holidays or bad weather.
