

# December 2018

December is a very special time at Stepper-ettes as we prepare for our holiday production. This year's theme is "A Christmas Dream".

Shows are held at the Studio and will be on December 17, 18, and 19. Two shows will be held each night. This will allow for plenty of seating for friends and family. Shows will be 35 minutes long.

Your assigned show time was sent home last week. We will also post show assignments in the lobby and they are posted on the Stepper-ette website at [www.stepperettestudios.com](http://www.stepperettestudios.com). Look on the "Events" page.

**On show nights, no regular classes will be held.**

**Please note the special meeting and practice times. Mark your calendar.**

**If your student has a conflict on the night of their performance, call about a make-up night. We will plan our line-ups accordingly. This is a fun experience and we don't want anyone to miss out.**

**Students should plan to wear holiday attire for their program. I would like them to wear black stretch/nylon type pants and a red holiday top of their choice. Hair and make-up should also be done neatly.**

**\*Pre-competition team, Competition Team and National Team, a special note about costuming for these performances will be sent home.**
