

December 2021

December is a very special time at Stepper-ettes as we prepare for our holiday production. This year's theme is "How the Grinch Stole Christmas".

Shows are held at the Studio and will be on December 14, 15, and 16. Three shows will be held each night. Shows will be 30 minutes in length.

Your assigned show time will be handed out in class. We will also post show assignments on the Stepper-ette website at www.stepperettestudios.com. Look on the "Events" page.

On show nights, no regular classes will be held.

Please note the special meeting and practice times. Mark your calendar.

For the show this year, please plan on a limit of four guests per performer.

IMPORTANT: Please be sure we have your most frequently checked email address. This is our main form of communication.

Students should plan to wear holiday attire for their program. I would like them to wear black stretch/nylon type leggings and a red holiday top of their choice. Hair and make-up should also be done neatly.

*Pre-competition team, Competition Team and National Team, a special note about costuming for these performances will be sent home. You do NOT need to purchase a red holiday top.

Join us for our 2021
Holiday Production
