

February 2024

February is an important month as we prepare for Spring and Summer performances. These are what make being a Stepper-ette fun and special. Through performing, students gain confidence and create lifelong memories. A reminder that local performances help make up for weather related cancelations.

Stepper-ette Performance Costumes

The 2023 Costume (Gold Fringe or Gold and Black Dress) will be worn once again this year. For students who began in September, your costume amount has been posted on your Stepper-ette account. A check can be brought in, written to Stepper-ettes, or the balance will be withdrawn with tuition on February 5th. Students who started lessons in January of 2024, your costumes can be purchased in March.
