

# February 2025

February is an important month as we prepare for Spring and Summer performances. These are what make being a Stepper-ette fun and special. Through performing, students gain confidence and create lifelong memories. A reminder that local performances help make up for weather related cancelations.

**Stepper-ette Performance Costumes**  
The 2025 performance costume (blue) has been distributed and will be worn at all local performances, parades, picture day and at the recital. For those of you who began lessons in January, we will post your costume amount on your Stepper-ette account. This amount will be deducted with your tuition on February 5<sup>th</sup>.
