Following the recital, weekly classes will not be held, however, at each performance students will practice 1 hour to review routines. There is no cost to participate. We hope all members will take advantage of these important learning opportunities. A detailed summer performance schedule will be sent home the week of our in-studio recital rehearsals.**

**Class Tuition**

**All class tuition must up to date by May 5<sup>th</sup> in order to participate in the recital. Please check your online account.**

**During the summer there is no class tuition due. All students are welcome to perform and participate in our various summer performances and parades at no charge. These are invaluable experiences.**
