

October 2021

We are off to a great start this fall! It has been such a joy to meet new students and see our returning friends as well.

During the month of October, students will have fun in class learning Halloween routines. The week of October 25-28th, students will present a short informal Halloween performance for their parents during their regular class times. Halloween costumes can be worn. More information will be out soon.

Class Information

Fall sports are almost over. Now would be a great time to add an additional class of ONLY \$30 per month! We offer tumbling, ballet/lyrical, cheerleading and hip hop.

Special Note...We have added a Hip Hop class for students ages 10 and up on Tuesday evenings from 6:15-6:45pm
