October 2024

We are off to a great start this fall! It has been such a joy to meet new students and see our returning friends as well.

During the month of October students will have fun in class learning Halloween routines. On October 24, 28, 29 and 30, students will present a short, informal Halloween performance for their parents during their regular class times. Halloween costumes can be worn. More information will be out soon.
