By participating, students gain valuable lessons in working together, performance skills, and flexibility in different situations. Performances are what give the Stepper-ettes an edge. I have seen first hand in my own children all the benefits they have enjoyed that can be attributed to their performance experience.

There is no fee to participate!

***Parents- if you plan to help out at any of our parades or performances, please wear your Stepper-ette t-shirt.**

A fun performance season is ahead!
