

# Stepper-ettes Summer Schedule 2017

Dear Parents and Students,

Today is our last regular lesson at Stepper-ettes. This summer, however, holds many fun events for students to participate in. We love seeing and working with students throughout the summer! These opportunities are what set the Stepper-ettes apart from other clubs and organizations.

Fall registration information and a class schedule will be mailed out soon. In this schedule you will see many classes and opportunities for your student.

If we do not have your current address please be sure to let us know. We want to make sure we get the fall information to you.

There are no lesson fees due in the summer. We do hope that all students participate in our various parades and performances. These are such valuable experiences for your child. Students can earn a trophy by participating in 4 events!

**Detailed summer information is attached.** Please check our website and Facebook page often to check on performance updates.
